EQUINE HEALTH ENTRY REQUIREMENTS - NON-HITS EVENTS

HITS-on-the-Hudson | Saugerties, New York

Revised as of June 2013

Protecting the health of your horse and other horses at HITS-on-the-Hudson is of the utmost importance to HITS. With this in mind, HITS has implemented Required Biosecurity Measures for all horses attending events held at HITS-on-the-Hudson. Following these requirements will serve to decrease the risk of introduction and/or spread of contagious disease at these events.

UPON ARRIVAL TO HITS-ON-THE-HUDSON, ALL HORSES MUST HAVE AND PROVIDE:

EVENT PARTICIPATION DECLARATION — Required

Signed by the owner/agent/trainer upon arrival verifying that the horse has been healthy with no sign of infectious disease and has not had a fever above 102°F within 72 hours (3 days) of arrival. **Required for all horses entering the Show Grounds both Showing and Non-Showing.** The Event Participation form must be on file for each event.

PROOF OF VACCINATION — Required

Via a signed statement from the attending veterinarian that the horse has been vaccinated against the following:

Within 6 months (180 days) of each show: **Equine Influenza**
Within 6 months (180 days) of each show: **EHV 1 and EHV 4**

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show.

PRESENTATION OF HEALTH REQUIREMENTS

These documents must be presented upon entry to the show grounds and copies must be filed in the Show Office **before any competition numbers will be issued**. The results on all required papers should indicate the horse's registered (show) name.

Any horse not accompanied by these documents will be directed to the Show Veterinarian to obtain the required documents and/or vaccinations, and/or will be placed in quarantined stabling until the proper documents are obtained. Any horse showing signs of fever/illness/stress is subject to examination by Competition Officials and/or the Show Veterinarian, who may at their sole discretion, place the horse in quarantined stabling or take further action if deemed necessary.

See Rules and Regs for more information.
