RELEASE FORM

By signing this form to enter the above-named competition I represent and agree that the rider being entered has the experience and skills to compete at the level entered. I understand the risks of riding and being around horses, and the heightened risk of doing so in a competition environment that may be new to my equine. I understand that participating in equine activities involves the possibility of property loss or damage, illness or injury to my animal, and potentially serious or even fatal injury or illness to myself or my child. Understanding these risks, I choose to participate or allow my child to participate in the competition and knowingly assume the associated risks. I hereby waive any claims against Dressage4Kids, Inc., competition organizers, officials and volunteers, as well as the owner of the site where the competition takes place, for any loss, damage or injury my horse, my child, or I may suffer as a result of participating in or attending the competition and agree to indemnify them against any claims by others for damage or injury resulting from my or my child's participation in or attendance at the competition. I have read and agree to follow without argument the rules of the competition and the directions and decisions of competition officials, including potentially the decision that my child or I need to withdraw from the competition. If I am signing as the parent of a minor child participating in the competition, I understand the risks of my child participating in the competition, I voluntarily assume those risks and I assume the obligations set out on this entry form, including this release of liability and promise of indemnification for myself and on behalf of my child. I have reviewed the competition rules and the importance of safety with my child.

AGREEMENT AND HOLD HARMLESS

I acknowledge that the rules applicable to this Dressage Competition specified elsewhere in the Competition Prize List have been made available to me and, if applicable, to my child and that I am (we are) familiar with them. I (we) agree that the Show Committee holding this Competition has the right to refuse this entry for cause which the Show Committee shall deem to be sufficient.

CODE OF CONDUCT

We, the undersigned, agree to adhere to the following Code of Conduct:

Sport is something done for the fun of it.

Good manners are fundamentally important in society and sport.

Fair and friendly competition develops sportsmanship.

All facets of sport should reflect the positive virtues of courage, patience, good temper and unselfishness.

The welfare of my horse is more important than the prize.
