Blue-color sections below indicate additional information that should be included on the entry form.

Welfare of the Horse: Riders (and trainers) are responsible for ensuring that their horses are sound and fit enough for competition. It is at the discretion of the judges to excuse a horse if they feel the horse is not sound or is struggling.

Who May Compete:

Age: The FEI age rule applies, which is the age the rider reaches in the calendar year. For example, if the rider becomes 21 years old in 2020, the rider is eligible, but if the rider becomes 22 years old in 2020, the rider is not. If the rider turns 12 anytime in the year 2020, the rider is considered to be 12 for the show.

Qualifying Score: Rider needs one score of 57% or higher from any USEF or FEI dressage test of the level or a higher level from June 17, 2019 to July 26, 2020. Note: Division AA riders need one score of 57% or higher at USDF Introductory Test C or any test at Training Level. Scores from equivalent USEF dressage tests for eventing are acceptable. Previous YDF competitors are automatically eligible at the same level or lower. Riders 14 and under who have previously competed in the LYDF First Level Division are automatically eligible to enter the FEI Children's Division. The score may be received from any occasion (including schooling shows, events, and Pony Club competitions) where the judge is a USDF 'L' graduate, USEF or FEI Dressage judge. Rider must submit a copy of the front page only of the test with Entry Form. A qualifying score is not needed for the Leadline Class.

If a rider is trying to achieve a qualifying score on the last weekend, July 25-26, rider must send their entry by the July 27th closing date and then fax the front page of the test showing the qualifying score to the Entry Secretary by July 27, 2020. If rider does not achieve a qualifying score, rider must contact the Entry Secretary by July 27, 2020 and entry fees will be returned minus a \$10 office fee. A rider who has not achieved a qualifying score and does not notify the Entry Secretary by July 27, 2020 will be removed from the show without a refund.

Rider may compete on a different horse from the one on which the qualifying score was received. A rider may either: 1) enter two consecutive Divisions with the same horse, or 2) enter two Divisions on two different horses at the same level or different levels. The qualifying score must be obtained at the higher level of the two Divisions chosen. A rider, with the exception to those entering the Walk/Trot or AA Introductory C Divisions, can enter a maximum of two Divisions (levels). A rider in the Walk/Trot or AA Introductory C Division can only enter one Division. A rider who has previously won a Division may not compete again on the same horse in that Division, with the exception of the Walk/Trot Division and the FEI Divisions.

Horse may be ridden by one rider in two consecutive Divisions, except where noted, or two riders in the same or different Divisions. A horse may compete in two Divisions only. A horse may also be ridden by another rider in the Leadline Class. The welfare of the horse is of utmost importance. Two competitors riding the same horse must keep this in mind when entering optional classes. Sunday classes will be limited to one per rider. A horse ridden by two riders may be entered in a total of two Sunday classes.

Divisions:

The Divisions are the heart of the Youth Dressage Festival. Each Division consists of three Sections: Written Test (Friday evening), Equitation Class (Saturday), and Dressage Test (Saturday). Each Section is worth 100 points for a total of 300 points. Total points from the three divisions determine placings. Ties are broken by using the Equitation Class score, then Dressage Test score and, if needed, the Written Test score. Rider must complete all 3 Sections to be eligible for Division Awards.

For example, for Division #11, the rider will have a written test in their age group, ride in a group equitation class with other riders of their Division, and ride the First Level Test 2 dressage test. A rider entering one of the FEI Divisions rides the Team dressage test of that level. Management may combine Equitation Classes for Third and Fourth Levels and FEI-Level Divisions.

New for 2020 - A specific age will no longer be split across Divisions in order to make the Divisions similar in size. For this reason the numbers of riders in each Division may vary.

Dressage Test Section:

WT – Walk/Trot Division 2019 USDF Introductory Test B, to be ridden in the small arena, 20x40m. For riders ages 14 and under who have never competed in a recognized competition where cantering is required. Riders in this division may not ride in any other division or class except for a Walk/Trot test in the Friday Schooling Show or the Walk/Trot Dressage Trail Class on Sunday.

AA – Walk/Trot/Canter Division 2019 USDF Introductory Test C, to be ridden in the small arena 20x40m. For riders who have never competed at First Level or above. Riders in this Division may not ride in any other Division but may compete in the optional classes.

BB – USEF Training Level Division B 2019 USEF Training Level Test 3

11 – USEF First Level Division 2019 USEF First Level Test 2

22 – USEF Second Level Division 2019 USEF Second Level Test 2 Unofficial jog required*.

33 – USEF Third Level Division 2019 USEF Third Level Test 2 Unofficial jog required*.

44 – USEF Fourth Level Division 2019 USEF Fourth Level Test 2 Unofficial jog required*.

Para Equestrian (PE) Divisions:

PEA - Para Equestrian Division A – FEI PE Grade 1 Team Test (previously known as Team Test for Grade 1a) Open to riders with a permanent physical disability who have never competed in a FEI PE Championship Test for their classification grade, or at Training Level or above. *Riders in this Division may compete only in this Division.*

PEB – Para Equestrian Division B – Open to all riders with a permanent physical disability. Riders may choose to compete in the FEI PE Team Test that is most appropriate for their skill level (Grades II thru V). Riders in this Division may also enter another Division which is considered the equivalent, or consecutive level, of the Para Team Test being ridden, if qualified. Additional information for Para Equestrian Divisions A and B:

1. Riders must either include a copy of their FEI, USEF or other national Dispensation Certificate, or other medical documentation which would be reviewed by the Show Committee to ensure the rider meets the minimum criteria for a physical disability. Riders with cognitive disabilities do not qualify to compete.
2. Compensating aids and special equipment used must follow the USEF/FEI rules and are subject to approval by the Show Committee.
3. Copies of the FEI PE Tests are available at:

<http://www.fei.org/fei/your-role/organisers/p-e-dressage/tests>

Rules:

Competitor's Volunteer Requirement: All competitors MUST volunteer for at least 1 hour during the show. Once you have arrived and have your horse stabled, get your packet from the Show Secretary, check your ride times, and then go to the Volunteer Booth for your assignment(s). Competitors need to know their ride times and warm up requirements before coming to the volunteer booth to sign up for their volunteer hour. Parents may accompany the competitor but may not sign up for them.

Attire: Riders may wear traditional show attire. Informal attire (short or long-sleeved polo shirts; no tee-shirts) also is acceptable in the performance arena in place of traditional show attire. Teams may want to have matching shirts. All riders must wear proper attire when mounted. ASTM/SEI-approved helmets are required for ALL riders when mounted, including FEI levels. The wearing of an improper helmet is grounds for disqualification. Whips and blunt spurs are allowed. Judges may deduct up to two points for messy attire in the performance arena. Award recipients must be in neat competition attire (unmounted) to receive their Division awards.

The Show Management reserves the right to inspect any rider and their equipment at any time for compliance with these show rules. Non-compliance will be grounds for disqualification.

Schooling is permitted only when the Show Office is open. Please refer to the Tentative Schedule on the next page. Trainers may school competitor horses on Thursday and Friday only and must sign a Release at the Show Office prior to riding. Any violation to this rule may result in the disqualification of the competitor.

No coaching is allowed any time while the rider is competing. Any rider receiving coaching while in the competition ring will be disqualified whether the rider requested such assistance or not. Any visual or verbal communication with the rider is considered coaching.

Readers are allowed for Prix Caprilli and Dressage Trail classes only. All other tests must be ridden from memory.

Ring stewards are not there to assist the riders with their times or after whom they ride. The riders need to know in what ring they ride, their times, and the numbers of the riders ahead of them. Do not ask the stewards.

Adult must supervise all young children at all times.

Parking Five points may be taken off the final score of any rider whose vehicle is parked in illegal parking areas. Two-horse trailers will be allowed 15 minutes to unload; larger vehicles will be allowed one-half hour to unload. After these times, all vehicles will have to be moved to parking areas. All trailers must be parked in the Campground area. Parking permitted on one side of the barn ONLY.
